

BEDFORD ATH NETWORKING CLUB

The Bedford Ath Networking Club (B. A. N. C.) meet on the first Tuesday of the month at The Clubhouse, Putnoe Woods, Wentworth Drive, Bedford MK41 8QA from 6pm – 8pm. There are no restrictions or limits on representatives from any field and no joining fee – just a £10 charge on the night for admittance, a discounted drink from the bar and a light buffet.

Visitors are very welcome to stay after the official end of the meeting to watch the rugby training session and enjoy a drink at the bar.

Run by husband and wife team Val and Lyn Jones, local business owners, avid Business Networkers and supporters of The Ath have taken the opportunity to help local companies get together for informal networking at The Clubhouse.

“The facilities at our Club are ideal for this type of meeting” comments Director of Rugby Val Jones “and we are delighted to provide a venue for a more relaxed networking event for the local business community”

The ‘Law of Liking’ is key to business success, so by providing a networking group with no pressure to perform a sales pitch or to pass referrals, visitors are given the opportunity to relax and enjoy the meetings and form lasting business relationships. There will also be opportunities to share good news, display literature and inform the group of special offers.
